- ▶ K-5 Enrollment of 100 students
- ▶ USD 473 Chapman Schools
- ▶ At Risk School with average of 70% Economically Disadvantaged Students

WHY FREAK OUT ???

- ▶ At Risk Students are recognized and rewarded for successful work traits that include homework completion, reading homework, and no office/discipline referrals.
- ▶ When all groups in a community provide collective support to the school, a strong infrastructure sustains a caring supportive environment where youth can thrive and achieve.
- ▶ Engage students, staff, and community members in celebrations that build and support healthy relationships.
- ▶ Provides additional time for small group or individualized support to remediate skill sets that are interfering with student success.

AHHH FREAK OUT!!!!

“Listen to us, I’m sure you ‘ll be amazed

FUN to be had by everyone

It’s up to you, It surely can be done

Young and old are doing it, I’m told,

Just one try, and you too will be sold.”
