

App Review Checklist & Rating Chart

For Game/Book/Productivity Apps

General Info & Operation ____/6

- App is easy to use & does not crash
- App is under \$10.00
- Content is appropriate
- App does not contain adds
- No in app purchases required for use
- Help/tutorials available

App Design ____/4

- Design graphics/sounds are appealing
- App is interactive and engaging
- App is motivating for user
- App promotes creativity and imagination

Features/Use ____/5

- App can be customized for different users
- App provides useful feedback for user
- App is easily adapted to target speech/language skills
- App has good potential for interaction between user and therapist
- App encourages critical thinking and higher level language

Total points ____/15Points

Star Rating

★ ★ ★ ★ ★	5 Stars = 13-15	points
★ ★ ★ ★	4 Stars = 10-12	points
★ ★ ★	3 Stars = 7-9	points

★	1 Star = 0-3	points

Educational App Evaluation Checklist

App Name:
Purpose for App:

✓	Use of app is relevant to the purpose and student needs
	Help or tutorial is available in the app
	Content is appropriate for the student
	Information is error-free, factual, and reliable
	Content can be exported, copied, or printed
	App's settings and/or content can be customized
	Customized content can be transferred to other devices
	History is kept of student use of the app
	Design of app is functional and visually stimulating
	Student can exit app at any time without losing progress
	Works with accessibility options like VoiceOver and Speak Selection
	App is free of charge
	No in-app purchases are necessary for intended use of app
	App loads quickly and does not crash
	App contains no advertising
	App has been updated in the last 6 months
	App promotes creativity and imagination
	App provides opportunities to use higher order thinking skills
	App promotes collaboration and idea sharing
	App provides useful feedback
	Total ✓s <i>The more checks, the better the app is for education</i>

	<u>WhQuestions</u>	With built-in data tracking, there are over 300 "wh" questions for who, what, where, why, how.

AAC Apps

Full Featured Symbol-Based AAC

Full Featured Symbol-Based AAC		
Icon	App Title	App Description
	<u>Proloquo2Go</u>	Full AAC solution with over 12,000 symbols, natural sounding voices, automatic conjugation, word-prediction, and more.
	<u>Sono Flex</u>	Full AAC solution with vocabulary designed for school aged children, natural text-to-speech voices.
	<u>TouchChat HD</u>	Full AAC solution with several different sets of vocabulary available for in app purchase, natural sounding voices iPhone/iPod and iPad versions

Mid-Featured AAC - Symbol set with verbs, adjectives, some preprogrammed pages

Mid-Featured AAC		
Icon	App Title	App Description
	<u>Expressive</u>	Entry to mid level picture-based app with recorded voices, clip-art-style icons.
	<u>One Voice</u>	Categorically arranged AAC app for basic needs. High quality text-to-speech.
	<u>TapSpeak Choice</u>	Construct boards of 1 - 54 symbols. Recorded and natural sounding text-to-speech. Boardmaker symbols included.

Basic Communication with Web-based editing

Basic Communication, Web-based Editing		
Icon	App Title	App Description
	Alexicom AAC	Basic AAC app for expressing needs and wants; web subscription service for authoring. Runs on many different kinds of devices through internet.
	MyTalk	AAC software with photos and voice recording feature that can be used with a web authoring service.
	TapToTalk	Basic AAC app for expressing needs and wants; web subscription service for authoring. Runs on many different kinds of devices.

Basic Communication

Basic Communication		
Icon	App Title	App Description
	Grace	PECS-like app with drawings and a symbol strip to build messages. No speech output.
	Look2Learn - AAC	AAC system with photos and preloaded voices to express basic wants and needs.
	My Choice Board	Create custom choice boards of up to 6 items per screen (multiple screens per choice board possible.) Recorded speech, built-in internet image searching, ability to mark items "not available".
	SoundingBoard	Create simple communication boards 1 - 9 buttons with recorded speech

Scene-Based AAC

Scene-Based AAC		
Icon	App Title	App Description
	Scene & Heard	Scene-based AAC app with hot-spots, Widget Symbol overlays, recorded voice.
	Scene Speak	Scene-based AAC app with hot-spots, open source Text-to-Speech, and recorded voice.

Text-Only AAC

Text-Only AAC		
Icon	App Title	App Description
	Assistive Chat	Text-to-Speech with natural sounding voice, word prediction, save phrases and recall recent messages.
	EZSpeechPro	Text-to-Speech with word prediction, store phrases in categories.
	Predictable	Text-to-Speech with natural sounding voice, word prediction, save phrases and recall recent messages.
	Speak It!	Copy or type text for text-to-speech using natural sounding voices.
	Verbally	Text-to-Speech with natural sounding voice, word prediction, core words, customizable phrase pages.

Sign Language Apps

Sign Language Apps		
Icon	App Title	App Description
	In My Dreams	Learn reading, matching, and sign language skills via animations paired with text and recorded audio.
	iSign	Animated ASL dictionary with 800 signs.
	iSpeech Toddler Sign	Two animated children, Sadie and Sammy, animate 30 signs each, with accompanying explanations.
	Jolly Holiday	Learn prepositions while decorating the tree, then learn the signs to Rudolph the Red Nose Reindeer.
	Sign 4 Me Sign 4 Me iPad	With more than 11,500 words in the library, you can learn signed English from a 3D avatar. iPhone/iPod and iPad versions
	Signing Time Dictionary Flashcards	Flash cards with pictures and descriptions of signs.
	Signing Time ASL Videos	Video clips from popular Signing Time DVDs for many basic signs. Includes some songs from the show.
	Sign Smith ASL	With more than 1,200 signs, you can learn American Sign Language from a 3D avatar.

Organization and Scheduling Apps

Organization and Scheduling Apps		
Icon	App Title	App Description
	ABC Data	Data collection tool for counting behaviors by simple tallies or percentages, recording duration, and emailing the data.
	AudioNote	Note taking app with built in audio recorder. Notes are synchronized to the audio, so you can jump right to the part of the recording where a particular note was written. Text highlighting of notes during audio playback.
	Auditorium Notes	Note taking app that lets you record, organize, review and share your audio and text notes.
	Awesome Note	Combines notes with to-dos that are transferred to email, Google Docs and Evernote.
	Behavior TrackerPro	Track ABC data, frequency and duration, and high frequency data, and graph them.
	Bump	By bumping two phones together, exchange contact information and photos without typing.
	Chore Pad	Organizing lists of chores and rewards
	Dictionary	Using predictive text, search for a word and its definition/synonym in content from dictionary.com or thesaurus.com.
	First Then	Audio-visual prompting tool for scheduling daily events or steps to complete an activity.
	FlashCards	Upload a .csv file online that imports text to the app, then add photos and audio to your flashcards.

Organization and Scheduling Apps		
Icon	App Title	App Description
	<u>Google Mobile</u>	Access Google Apps and search using your voice, and use SafeSearch for content filtering.
	<u>Grocery IQ</u>	Build lists by scanning the barcode with your iPhone camera, or by using the predictive search feature.
	<u>iCommunicate</u>	Create dynamic visual schedules, choice boards, with custom audio recorded by you, or text-to-speech.
	<u>iPrompts</u> <u>iPrompts XL</u>	Visual prompting tool containing original artwork for schedules, a timer, choice prompts, and a library.
	<u>IEP Checklist</u>	Provides a list of items (with description and ed code) to complete for an IEP.
	<u>iResponse</u>	With free desktop software, this is a classroom responder system for enabling interactive lectures.
	<u>iReward</u>	With this motivation chart, choose the behavior, the reward from your camera or photos, and optional praise.
	<u>iRewardChart</u>	With this motivation chart, assign tasks, track progress, and pay rewards for achievements.
	<u>iStudiez Pro</u>	
	<u>iTPADD</u>	Apps for a calculator, timer, tally counter, schedules and storybooks.

Organization and Scheduling Apps		
Icon	App Title	App Description
	<u>MindMeister</u>	Create, view, and edit mind maps, then share them to a website to view and edit further.
	<u>myHomework</u>	Keep track of homework, classes, tests, and projects with number reminders on the app icon.
	<u>Percentally</u>	Data collection with automatic percentage conversion, and sharing to clipboard, email, and Google Spreadsheet.
	<u>Picture Scheduler</u>	To aid in recall of details, record audio and video notes to accompany a photo in a listed schedule.
	<u>Sound Note</u>	SoundNote tracks what you type and draw while recording audio. While playing back your recording, just tap a word; SoundNote will jump right to that point in the audio.
	<u>Steps</u>	Visual schedules for 9 sequential activities can be checked for completion, and more activities can be added.
	<u>Tallymander</u>	Counting tool for tracking scoring systems (e.g., basketball game), compute for data analysis, and share a CSV file.
	<u>Time Timer</u>	Improves time management with a visual depiction of time, and optional audible and vibrate signals for iPhone.
	<u>ToDo</u>	Task Management with alerts, subtask, checklists, and synchronization with Outlook or iCal.
	<u>Whiteboard</u>	Use shapes to specify meaning in images from your camera and photo album, and invite others to view.

Organization and Scheduling Apps		
Icon	App Title	App Description
	Wikipedia	Using predictive text, search for Wikipedia entries, and bookmark the whole entry or individual sections.
	Visual Countdown Timer	Customize countdown timer with different colors, shapes, durations.
	Visulas	Uses drawings and photos to communicate schedules and actions.
	Voice Secretary	Audio reminders in which you use a recorded voice for reminders.

Reading and Writing

Children's Book Apps		
Icon	App Title	App Description
	The Cat in the Hat	The interactive book is narrated with words that highlight as they're read, and zoom when pictures are touched.
	Curious George B-day	In this book, discover George's birthday surprise as you listen to the book or record your voice.
	Emperor's New Clothes	The classic has been slightly altered to accompany a narrated book with original art.
	Goldilocks & The 3 Bears	The interactive book has story narration with words that are highlighted as they're read.
	ICDL Books for Children	Thousands of children's books (e.g., Three Little Pigs) from 60 countries in various languages with illustrations.
	IMotherGoose - Bugs	Talking picture book with full color pictures that speak the insect name when touched.
	iStoryTime Kids Books	The books are illustrated, include text, and are narrated with pages that turn automatically or manually.
	Kiwa Qbooks	Books with professional voice recording and text highlighting; option to record your own version of the text; coloring pages as part of the book. Many different titles, lite versions available.
	Little Red Riding Hood	The talking, interactive book has story narration paired with text and animated objects.

Children's Book Apps		
Icon	App Title	App Description
	MeaGenius! Kids Books	Kids illustrated books with recorded narration and word highlighting; some free, some for in-app purchase.
	The Monster at the End of this Book	Wonderful interactive version of popular Sesame Street book - word highlighting, highly interactive page turning as Grover asks you not to turn the pages.
	My Friend Isabelle	Learn about two friends with differences in this narrated story paired with highlighted text.
	Sesame Street	In this book, watch Elmo and friends chase a puppy as you listen to the book or record your voice.
	The Strange and Wonderful World of Ants	Educational, interactive book about ants with an adjustable reading level.
	Three Little Pigs	The interactive book has story narration paired with text, and the characters can be touched to make sounds.

Letters, Decoding, Spelling, and Handwriting		
Letters, Decoding, Spelling, and Handwriting		
Icon	App Title	App Description
	ABC Animals	Interactive animal flashcards with audio that provide the letter name, associated animal name, and the phonetics.
	abc Pocket Phonics	Combines three apps in one with letter sounds, letter writing practice, and 170 first words.
	Alphabet Animals	All 26 letters in interactive flashcards that make sounds and animations when touched.
	Alpha Writer	Use movable letters to spell phonetically - explore spelling or quiz mode.
	Chicklitionary	Using the timed or untimed mode, use letters to create words, and retrieve the word definitions.
	FirstWords: Deluxe	With pictures of over 174 items around the house, animals, vehicle, colors, shapes, touch a letter to hear it, and drag it to the correct word position.
	Intro to Letters	Classic Montessori approach to writing letters and learning phonetics.
	iWriteWords	In easy or regular mode, trace numbers, lowercase and uppercase letters using numbered prompts.
	See Read Say	Includes all 220 DolchWords spoken at the push of a button, and individual progress is tracked.
	Special Words	Sight word teaching tool from Down Syndrome Education International. Words in 8 languages, also can add your own words.

Letters, Decoding, Spelling, and Handwriting		
Icon	App Title	App Description
	Spelling Bee	From two choices, select the correctly spelled word as quickly as possible.
	Teach Me Kindergarten	Teaches age-appropriate subjects to first grade children: sight words, addition, subtraction and spelling.
	Word Magic	With a picture shown and a letter missing in a word, select the correct choice for reinforcers and rewards.
	Word Scramble 2	Among scrambled letters, tap three or more to create words in a single player, multi-player, or live game online.

eBook Reading Apps

eBook Reading Apps		
Icon	App Title	App Description
	Biblo	eBook reader from Kurzweil - text-to-speech, word-by-word highlighting where supported by the book being read.
	eTextbooks	When connected to the Internet, access your eTextbooks to read them and to view your notes.
	Kindle for iPhone	Download and read Kindle books, highlight and take notes, and select alternate text and background colors.
	Read2Go	Daisy reader from Bookshare - search for, download, and read Bookshare books with text-to-speech and text highlighting.
	Starza	Download from over 50,000 free books, and read them with tabbed navigation, copy support, and note sharing.

Writing and Story Telling Apps

Writing and Story Telling Apps		
Icon	App Title	App Description
	Book Creator	WYSIWYG authoring tool for ePub books. Read in the iBooks app or other ePub reader, share by email or Dropbox.
	Comic Life	Create comic books from your own photos; share by email or Facebook
	Demibooks Composer	WYSIWYG authoring tool for interactive, animated picture books with recorded speech. Publish Demibooks' PrintShop, or send via Dropbox to friends who have Demibooks Composer.
	eBook Magic	Create photo books including text boxes. Fixed formats and themes. Export as ePub or PDF; open in iBooks or share via email.
	Pictello	Write and share custom visual stories with recorded voice or high quality text-to-speech in 23 languages.
	Stories2Learn	Create personalized stories using photos, text, and audio messages.
	StoryBuddy	Create personal stories using images from your photo library, simple drawing and text tools.
	StoryKit	Create a story by drawing, taking a photo, typing, and recording your voice, then upload the story to a website.
	StoryPatch	Write stories using library of clip art, your own photos, and text. Share stories by email in PDF format.
	StoryRobe	Create movies from your photos and recorded narration.

Writing and Story Telling Apps		
Icon	App Title	App Description
	StoryTime	Explore creating sentences by choosing words relating to pictures of animals.
	Textfree	Utilizing a Textfree email account, send and receive unlimited texts free for a whole year.

Writing Preparation Apps

Writing Preparation Apps		
Icon	App Title	App Description
	iCard Sort	Brainstorming tool that helps to visually organize ideas quickly and easily through grouping and sorting.
	Idea Sketch	Graphic organizer for visually representing and linking words, thoughts, ideas, tasks, etc.
	iThoughts	Comprehensive app for mind mapping that includes multiple transfer options and can export into a variety of formats.
	MindNode	Easy and intuitive application for collecting, organizing and outlining thoughts and ideas.
	Popplet	Motivating, simple to use graphic organizer that includes the ability to link photos as part of the diagram creation process.
	SimpleMind	Easy to use mapping tool for visually organizing thoughts and ideas.

Writing Preparation Apps		
Icon	App Title	App Description
	StoryBuilder	Offers a rich and fun environment for helping children improve their ability to create narrative.
	Writer's Hat	Aids young writers in idea generation to inspire creative writing, oral literacy and imaginative thinking. Includes prompts for who, what, where and whe

Math Apps

Math Apps		
Icon	App Title	App Description
	<u>123 Animals Counting</u>	Touch 40 different animals with sounds to see and hear numbers counted.
	<u>Arithmaroo1</u>	With time and scores in various levels, the game format makes counting fun.
	<u>Cloud Math</u>	Practice adding, subtracting, multiplying, and dividing with a timer, levels of difficulty, and solution choices.
	<u>Coin Math</u>	Learn how to add and match coins, and pay for items.
	<u>Cute Math</u>	Seven cute activities for counting, adding, and subtracting with manipulatives, solution choices, and verbal praise.
	<u>Freddy Fraction</u>	Use Freddy, an alien, to determine the equivalence among fractions, decimals, and percents.
	<u>Graphing Calculator</u>	Scientific calculator and high resolution function plotter to trace multiple equations on the same graph.
	<u>Intro to Math</u>	Classic Montessori approach to learning number sense and writing numbers.
	<u>KidCalc Math Fun</u>	Activities for number recognition, counting, and math operations using flash cards, puzzles, and games.
	<u>Kids Math Fun ~Kindergarten</u>	With choices and data collection, practice addition and subtraction of two single digit numbers.

Math Apps		
Icon	App Title	App Description
	<u>Math Bingo</u>	Get a pattern of five Bingo bugs in a row by correctly answering math problems (adding, subtracting, multiplying, dividing).
	<u>Mathboard</u>	Practice addition, subtraction, multiplication, division, squares, cubes, and square roots.
	<u>Math Drills</u>	Drills for adding, subtracting, multiplying, and dividing with number lines, hints and facts.
	<u>Math Magic</u>	Adding, subtracting, multiplying, and dividing with visual supports, solution choices, reinforcers, and rewards.
	<u>MathSpin3</u>	With data collection, spin the wheel and determine if the numbers are greater than, less than, or equal.
	<u>Money - Learn to Count</u>	Customize the values of money, then select the correct value that corresponds to bills and coins pictured.
	<u>Motion Math</u>	Tilt the device to move a star along a number line that is used for perceiving and estimating fractions.
	<u>Pop Math</u>	In adding, subtracting, multiplying, and dividing, pop pairs of bubbles that match the equation with the solution.

Music Apps

Music Apps		
Icon	App Title	App Description
	Air	Vocal and piano samples arranged in an ever changing composition.
	Beatbox	Channel your inner hip-hop self to create fresh beats anywhere.
	Bloom	Create elaborate patterns and unique melodies by simply touching the screen.
	Drum Kit	Create and record drum tracks as you're playing along to songs from your iPod library.
	Finger Piano	Without any skill needed, play the piano with your finger.
	FlickTunes	Control your music library by flicking to advance and reverse songs, adjust volume, fast forward, and more.
	GarageBand	iPad version of the Mac track recording app.
	GrooveMaker Free	Create full-length electronic, dance, and hip-hop tracks by layering the music.
	Magic Piano	Multitouch Piano app
	Pandora Radio	Start with the name of one of your favorite artists or songs, then Pandora creates a station of similar music.

Music Apps		
Icon	App Title	App Description
	Preschool Music	Four musical activities that include colorful, interactive illustrations.
	Shazam	Point your device toward music to determine the song that is playing.
	Tappy Tunes	An app that allows you to play your favorite song by simply tapping on the screen.
