

# aLearn 2012-2013

“rich in history, blazing new trails in learning”

# 2011-2012 school year

- Fall 2011- Elementary schools iPad integration
- Fall 2011 3rd grade 1/1 iPads
- Dec. 2011- Teachers received iPads
- Sept.-Feb. Team of teachers developed aLearn Plan.
- Presented to Board in February.
- April USD 435 Board approves aLearn Proposal.

At a glance.....

Students have access to personalized technology throughout their day based on their individualized learning needs.

- Kennedy-2/1 iPads. The students will not take them home.
- McKinley- 1/1 iPads. The students will not take them home.
- Garfield,AMS,AHS -1/1 iPads. The students will take them home.

The teachers along with the tech specialists researched apps that align to the curriculum as well as the standards.

Yes, students can set up their own profile to add their own apps and music to the iPad.

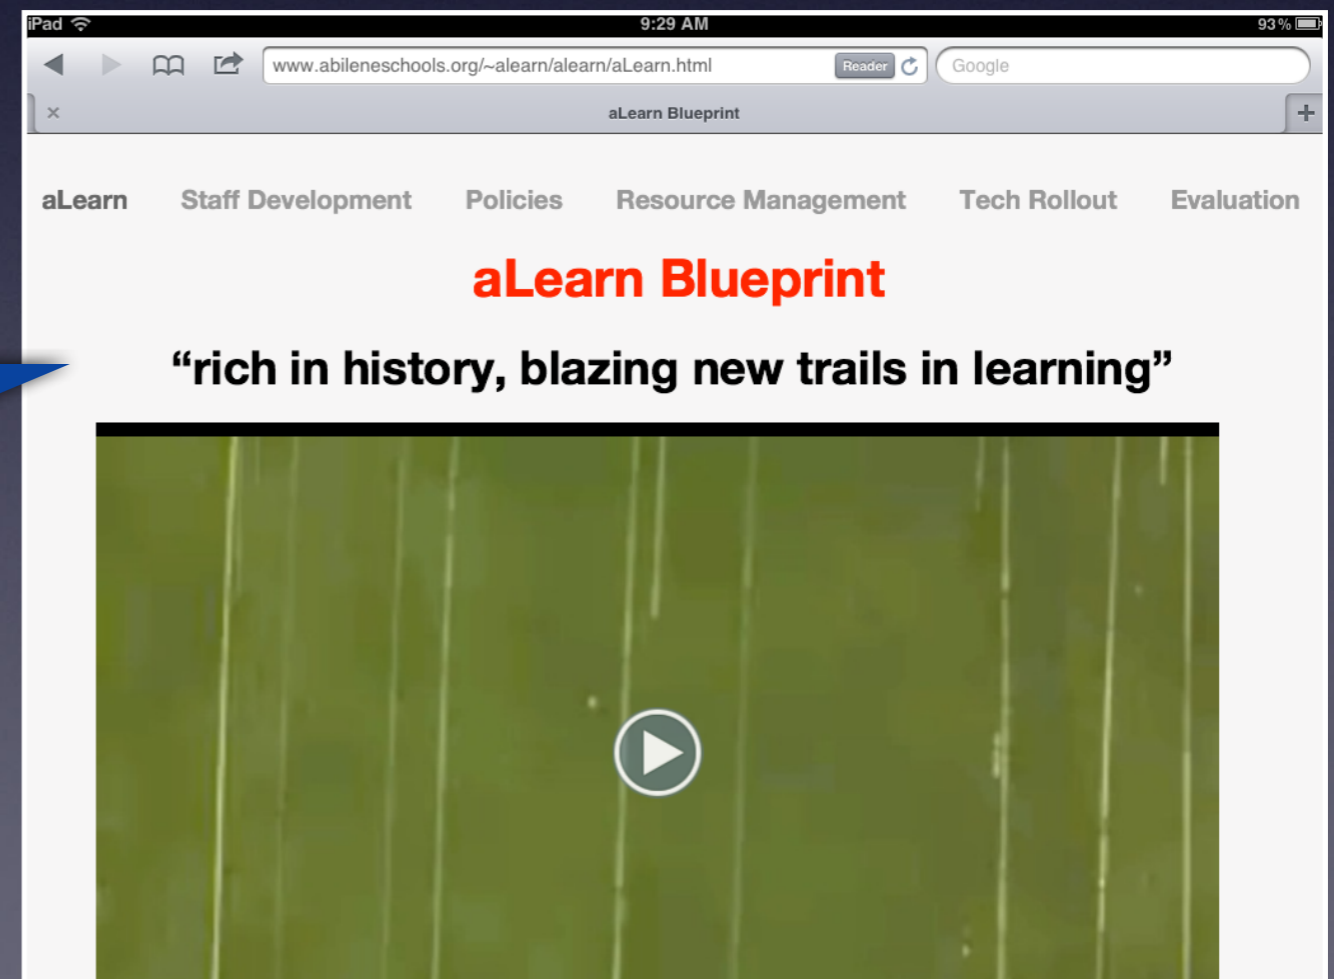

There will be a gradual move toward digital media over the next few years.

If the iPad is damaged due to accident or negligence then a \$50 fee will be assessed.

## A. Jobs as Tech Integration Specialists

- Looked for best app, looked for free apps, many apps available
  - Planned iPad training sessions (10), goal to introduce basic function of apps and possible use in the classroom
- Will continue to work with teachers and integrate the use of the technology in the classroom

# Technology in the classroom

- \*My Big Campus

- \*Notability

- \*Strip Design

- \*Educreations

- \*Idea Sketch

- \*Flash Cards

Tech integration specialist

David McClain 6-12.
