

Logan Taylor, the remarkable individual behind Y.B.Normal? is a living testament to the power of resilience, determination, and compassion. Despite a childhood filled with adversity, Taylor's journey has been one of transformation and inspiration. Born into a challenging environment, with an absent father and an absent mother, he was raised by his grandmother in low-income housing. From an early age, Logan faced hardships that most could hardly fathom.

As if the burdens he carried weren't enough, Taylor also endured sexual abuse, battled drug and alcohol abuse, survived a devastating car accident, homelessness, and experienced multiple suicide attempts. Additionally, he grappled with crippling depression and anxiety that threatened to overshadow his every endeavor. Yet, against all odds, Taylor emerged not only as a survivor but as a beacon of hope for others who face similar struggles.

Rather than allowing his traumatic experiences to define him, Taylor harnessed the strength within and channeled it toward helping at-risk youth and educators across the world. Today, Taylor is widely recognized as an author, entrepreneur, and sought-after international speaker. His educational programs, curriculum development, and SEL journals for students have empowered countless individuals to maximize their potential and overcome obstacles and help change the climate and culture of school campuses all over the world.

Taylor's impact extends far beyond the podium as a highly sought-after international speaker, as he has reached millions through his inspiring YouTube videos, which have amassed over 8 million views. Through Y.B.Normal? the organization he founded, His unwavering commitment to empowering others has earned him the respect and admiration of peers and mentees alike.

Taylor has consistently sought to expand his knowledge and skills in his pursuit of excellence. He has obtained certifications in Social Emotional Learning from the University of Colorado and ACEs (Adverse Childhood Experiences), equipping him with the expertise needed to make a profound difference in the lives of those he serves. Taylor is also the recipient of The President's Lifetime Achievement Award by President Joseph R. Biden, Jr. Currently, Taylor is actively working towards obtaining a master's degree as a mental therapist, further deepening his ability to provide support and guidance.

Quoting the great Dr. Martin Luther King, Taylor firmly believes that greatness lies within everyone and can be unlocked through service. He lives by the mantra of Y.B.Normal? When you can extraordinary. Reminding individuals that they have the power to transcend their circumstances and embrace their extraordinary potential. Taylor's life and achievements stand as a testament to the indomitable human spirit, proving that with resilience, determination, and compassion, one can overcome any obstacle and inspire others along the way.
